

Application Questions

To help creatives prepare their **Scratch Me** applications before submitting, we've provided a list of the questions you'll be asked below. Help text, where provided in the online form, is shown in *italics*.

Please note this list is only for reference. You'll still need to complete our [online application form](#) to be considered for a place on the lab. The online form also includes sections on data usage and equality monitoring not recreated below.

For some questions there is the option to answer via a written response, or an audio or video recording. If you'd prefer to answer via audio/video, just upload the relevant file when prompted.
