

1. Film Hub North, Feedback & Complaints

1.1 - Film Hub North leadership structure and governance

Film Hub North is a project funded by the British Film Institute as part of the BFI Film Audience Network. The Hub is led by Greater Manchester Arts Centre Ltd (HOME) and Sheffield Media and Exhibition Centre Ltd (Showroom Work Station) whose directorate assumes governance responsibility and accountability for the Hub.

In the first instance, feedback and complaints regarding the Hub should be made directly to the Head of Film Hub North. Where this is not appropriate, communication should be directed to the CEO of Showroom Work Station and clearly marked as concerning Film Hub North.

1.2 - Guiding Principles

Film Hub North aims to foster a vibrant film culture in the North of England. This work reflects the ambitions of the BFI Film Audience Network, and our feedback and complaints policy reflects that of our funders at the BFI.

If a partner is dissatisfied with the Hub's performance or feels they have been treated unfairly by the Hub, they are entitled to make a complaint. In the first instance, we hope that complaints can be resolved informally by the parties involved. However, in some instances it will be necessary to make a formal complaint.

This document sets out Film Hub North's formal complaints procedure. If you make a complaint regarding the Hub, it will be handled according to the following guiding principles:

- Film Hub North recognises that feedback and complaints are an important way of keeping the Hub accountable, informing internal performance reviews and improving the delivery of the project.
- If the Hub can resolve a complaint by clarifying its position or explaining its decision-making process, it will do so.
- If the Hub has got something wrong, an apology will be issued, and the team will take prompt action to put the matter right.
- Film Hub North will be open, honest and fair when handling complaints.

- Partners will not be disadvantaged in future dealings with the Hub because of a complaint.
- Film Hub North will respect partners' privacy and ensure that complaints are treated confidentially.

In addition, partners should note that:

- Film Hub North reserves the right to have an external third-party review of a complaint at any time during the process. The Hub will notify any complainant before involving a third-party.
- Where Film Hub North feels it has responded fully to a complaint and can provide no further information, it reserves the right not to escalate such a complaint to the latter stages of the complaint procedure. At this point, the complainant may escalate the matter following the process outlined in this document.

3. Complaints about Funding Programmes

Film Hub North awards audience development funding in-line with the priorities and criteria set out in individual fund guidelines as well as our overarching strategic objectives. We aim to ensure that funds are distributed fairly, strategically and effectively across the North.

3.1 - How decisions are made

For awards up to £20,000, funding decisions are made by an internal panel from the Film Hub North team and assessed in-line with the fund guidelines.

For awards over £20,000, funding decisions are ratified by the Film Hub North Directorate.

The Hub team may consult with partners to ensure that information submitted in support of an application is accurate and that duplication of funding does not occur.

Film Hub North may work with external assessors where required.

3.2 - When can I appeal?

You can appeal against a funding decision if you believe that the application was processed incorrectly, or the application has been assessed in a way that prejudiced the outcome.

This might mean:

- **“Maladministration”** has taken place. For example, if there has been an undue delay, if mistakes have been made, or if there has been a failure to follow the procedures in the relevant funding guidelines.
- Film Hub North has **failed to give you access to information** or has given you **incorrect advice or information**.
- You have **not been treated professionally and with respect**.
- Film Hub North has **discriminated against you or treated you unfairly**.

You cannot appeal against a funding decision if the Hub has followed its decision-making process correctly.

If you wish to appeal the Stage 2 decision, Film Hub North will refer your complaint to the Hub's funders at the BFI.

The BFI will determine whether or not to investigate your complaint further and will provide reasons if the complaint is not investigated.

If your complaint is investigated and found to be justified, the BFI will make recommendations to Film Hub North to rectify the matter. The BFI will report within 3 months and Film Hub North will implement their recommendations as directed by BFI.
